

What Are Wood Thrushes Telling Us?

Thursday
September 28
7:00 pm
Croton
Free Library

What do Wood Thrushes reveal about the health of our forests?

Dr. Elijah Goodwin will present preliminary results from his three-year study of Wood Thrush nests at Rockefeller State Park Preserve. What have we learned so far from Wood Thrushes?

Free and open to the public. No reservations needed.

Venue: Ottinger Room of Croton Free Library
171 Cleveland Drive, Croton-On-Hudson, New York 10520
