

Saw Mill River Audubon Urgent Event Update

All events through April
are now cancelled.
Stay well. Get outside!
(Here's hoping for May.)

Due to the active spread of coronavirus (covid-19) in our communities, Saw Mill River Audubon has extended the cancellation of our public event through to the end of April.

This includes all our our field trips including Monday bird walks.

Please stay well. We will miss connecting with the friendly community always present on our bird walks and at our programs! We do encourage you to get outside regularly, on your own, in the days ahead.

Outside time is good for the body, mind and spirit, especially in these troubling times. Be well. We look forward to connecting with our Audubon friends when it is advisable to resume public events.
