Antarctica: Ice and Millions of Penguins, but No Bears

In November 2018, Phil and Ellen Heidelberger traveled with National Geographic and Lindblad to explore the Falklands, South Georgia Island and the Antarctic Peninsula by ship, zodiac, kayak and snowshoes. Come see Phil's images of stunning landscapes of ice, eight species of penguins, Elephant and Leopard Seals, whales and other wildlife, and hear stories from their journey.

Venue: Croton Free Library

171 Cleveland Drive, Croton-on-Hudson, NY 10520
