December 6, 1956.

The regular meeting of the Directors, Officers and Chairmen of Standing Committees, held at the home of Mr. and Mrs. Malone, was called to order at 8:55 P.M. by the President.

The minutes of the regular meeting of Nov. 1, 1956 were read and approved.

The Treasurer reported \$104.59 in the general fund and \$105.27 in the Scholarship fund, a total treasury balance of \$209.66. The Treasurers report was applauded and approved.

The Committee appointed to draw up and report on the reasonability of establishing a regular Budget Committee and make recommendations to its duties and responsibilities, thereof, outlined their findings and, after some discussion, a motion was made and seconded that the notification required by the By-laws be sent to the members of this Board to consider this matter at the next regular meeting. If the Committee be authorized the recommendations as now submitted be incorporated as a part of the authorization. The Motion was carried.

The Conservation committee and the Membership Committee reported progress and a suggestion was made that our Society prepare some promotion literature and persuade the National Society to send it out to prospective members with their material. This matter was considered very worth considering
